

Kubota®

LUBRICANTS CATALOGUE

NO ONE KNOWS EQUIPMENT BETTER THAN KUBOTA

For more than 40 years Kubota has been the leading supplier of agriculture, construction and power equipment. Our extensive product range is renowned for its high performance, durability and reliability and is specifically engineered to excel in Australia's tough and diverse conditions. Kubota is now the #1 builder of under-100 HP multi-cylinder, non-automotive diesel engines in the world and offers products in a wide variety of segments including utility vehicles, construction equipment, lawn mowers, agriculture tractors and hay equipment.

Kubota®

What Harm Does Oil Degradation Do?

Kubota Genuine Oil was developed to get the maximum performance out of Kubota machines. Oil degenerates with use, therefore it is necessary to change the oil regularly to keep your machines in peak condition. Failure to change the oil regularly will leave your transmission and hydraulic devices unprotected, reducing the life of the machines.

Comparison 1

Kubota Genuine Oil displays outstanding filterability in Kubota's independent filterability test. Hydraulic devices operate with a smoothness that sets them apart.

Comparison 2

Scuffing resulted when the FZG gear test was conducted under identical conditions using a competitor's oil. Kubota Genuine Oil protects your valued machines.

SUPER UDT 2 & UDT FLUID

Kubota® Super UDT2 Universal Trans-Hydraulic Fluid

Kubota® Super UDT2 Universal Trans-Hydraulic Fluid is an advanced, proprietary transmission oil developed and approved by Kubota engineering. It is a premium multi-purpose, all-weather lubricant with superior resistance to corrosion.

These products are specifically designed and meet the requirements of agricultural tractors and heavy-duty vehicles. Recommended for use in the Kubota hydraulic, final drives, transmission, differential and wet brake systems of tractors.

- Unique Friction Characteristics on Wet Clutches:**
Smoother start off, drive control, and PTO connection
- Superior High and Low Temperature Protection/Resistance:** Combats metal to metal contact during high-torque and heavy load operation
- Superior Corrosion Resistance and Efficient Filterability:**
Protects transmission and hydraulic from water and enhances fluid ability
- Lower Viscosity:**
Reduces power loss through transmission
- Improved Performance and Protection in Cold Weather:**
Improves HST performance, shift feeling and relieves burden on hydraulic system

PRODUCT NAME	PRODUCT CODE	PACK SIZE
SUPER UDT 2	UDT2-10005	5L
	UDT2-10020	20L
	UDT2-10205	205L

Kubota® UDT Fluid

Kubota® UDT Fluid is a high performance, multi-purpose all-weather fluid. It's uniquely formulated to provide excellent anti-wear, oxidation, ferrous rust, copper corrosion, sludge and varnish protection in the Kubota M Series tractors. It's designed to reduce wet brake and PTO chatter.

This product is recommended for use in the hydraulic, final drive, transmission, differential, and wet brake systems of tractors.

- Improves Efficiency:**
In synchro and glide shift transmissions
- Provides High Performance Protection:**
Even at high operating temperatures
- Superior Benefits:**
Proven to provide superior benefits compared to standard commercial tractor hydraulic fluid

HEAVY DUTY ENGINE OILS

Kubota® Diesel Engine Oil

Kubota® Diesel Engine Oil is formulated to provide optimum performance in modern, low emission diesel engines operating under a wide variety of service conditions. This product is recommended for use in turbocharged and naturally aspirated diesel engines. They may also be used in gasoline engines for the "mixed fleet" operator.

These engine oils provide excellent performance in local stop and go routes, on-and off-highway, farm, construction, and mining applications.

BENEFITS:

PREMIUM BASE STOCKS AND HIGH-QUALITY ADDITIVES
ACHIEVE THE FOLLOWING BENEFITS:

- High temperature piston deposit control
- Foam protection
- Soot dispersancy and oil thickening control
- Oxidation inhibition
- Low temperature sludge protection
- Corrosion and rust inhibition
- Valve train wear protection
- TBN retention

PRODUCT NAME	PRODUCT CODE	PACK SIZE
Diesel Engine Oil 15W-40	ENG-10005	5L
	ENG-10020	20L
	ENG-10205	205L

Kubota® Engine Oil 15W-40 CK-4

Kubota® Engine Oil 15W-40 CK-4 is formulated to provide optimum performance in modern, low emission diesel engines including engines fitted with after treatment systems operating under a wide variety of service conditions. Blended with premium high VI base stocks, shear stable polymers and high-performance additive chemistry to achieve high temperature piston deposit control, soot dispersancy and oil-thickening control, oxidation inhibition, sludge protection, corrosion and rust inhibition and valve train wear protection.

Kubota® Engine Oil 15W-40 CK-4 engine oil is suitable for use in turbocharged and naturally aspirated on and off highway diesel engines. Also suitable for use in gasoline engines for the "mixed fleet" operation protection.

This product is recommended for use in the hydraulic, final drive, transmission, differential, and wet brake systems of tractors.

GEAR & HYDRAULIC OILS

Kubota® Gear Oil 80W-90

Kubota® Gear Oil 80W-90 is formulated with excellent extreme pressure performance additives, ensuring superior gear lubrication whilst offering excellent thermal oxidation stability and corrosion protection.

Kubota® Gear Oil 80W-90 is suitable for use on-and off-highway, farm, construction and mining applications.

- Recommended For:** Conventional rear axles, limited slip rear axles, and transmissions requiring EP gear lubes under high speed, high load, high torque and high horsepower conditions
- Thermal Protection:** Provides outstanding thermal stability for cleanliness and longer service life
- Wear Protection:** Contains additives to assist in protecting gear teeth against pitting, spalling, and scouring
- Oxidation:** Improved oxidation performance

COOLANT & LAWCARE

Kubota® Lawn Care 2 Stroke

Kubota® Lawn Care 2 Stroke engine oil has been specifically designed to protect air cooled 2 cycle engines commonly utilised in small OPE (Outdoor Power Equipment) such as lawn mowers, brush cutters and 2 cycle petrol generators and can also be used for chainsaws, lawn edger's and brush cutters.

PRODUCT NAME	PRODUCT CODE	PACK SIZE
LAWNCARE 2 STROKE	1136.74	200mL

Kubota® Lawn Care 4 Stroke

Kubota® Lawn Care 4 Stroke Motor Oil offers maximum protection during start-up and under severe operating conditions, reducing engine wear. This product contains highly efficient detergents, dispersants and inhibitors to protect against corrosion, sludge and oxidation.

Kubota® Lawn Care 4 Stroke Motor Oil has been specifically formulated to meet the requirements of the following mowers, brush cutters and RTV's: W819-P, W821S-AU, W821SC, DH264, T1880, T2080, T2380, ZG124E, ZG123S, ZG127E, ZG127S, ZG222, ZG227, ZG327, ZG332, RTV400, RTV500.

PRODUCT NAME	PRODUCT CODE	PACK SIZE
LAWNCARE 4 STROKE 10W-30	LC4-10005	5L

Kubota® Lawn Care Transmission Oil

Kubota® Lawn Care Transmission Oil is specially formulated transmission oil for T2080 and T2380 hydro gear transmission.

Kubota® Lawn Care Transmission Oil is also recommended for T1460, T1560, T1600H, T1760, T1770 and T1880 transmissions.

PRODUCT NAME	PRODUCT CODE	PACK SIZE
LAWNCARE TRANSMISSION OIL SAE 20W-50	LCT-10001 LCT-10005	1L 5L
